## THE DEMAND FOR COFFEE

*Industry, Demand, Options*

### Stable Industry

It's no secret that coffee is here to stay. It's the universal morning drink of people all over the world making it the absolute perfect product to enhance for weight loss.

### Market Surge

Today's coffee culture is opting for on-the-go coffee. We are busy. Valentus Prevail products are individually packaged for on the go-getters, making it a convenient choice for the office, at home, or anywhere. Just add water.

A person wearing a white button-down shirt and jeans is holding a white coffee cup with a floral design. The image is in a muted, teal-toned color palette.

# Worldwide **APPEAL**

**PEOPLE LOVE COFFEE**

*Leading Beverage Worldwide*

## **Consumable Commodity**

Coffee is an extremely powerful commodity, reigning as the world's most heavily traded product, behind petroleum, and the largest food import of the United States.

**Coffee is more than popular:** it's pervasive, universal, worldwide, and the inescapable drink people all over the world and of every age rely on. No other beverage is as revered or respected. It can be seen in offices, during commutes, and on kitchen counter tops worldwide.
